

# Toronto Police College

## **PARKING**

**At the start of the event, enter the main college driveway on the north side of Birmingham St.**

### **TPS Members:**

1. TPS members should park in the internal parking lot and access the building through either the northwest side entrance or the front main entrance.

### **Non-members:**

1. Park in the smaller visitors' parking lot if spots are available.
2. If there are no available spots in the visitors' parking lot, drive through toward the black parking gates and proceed into the larger internal parking lot. The gates will be temporarily left open.
3. After parking, walk back through the black gates and enter the college through the main front entrance doors. (All other doors require card access.)
4. Sign in at the Front Desk (must present ID) and make your way to your room.

### **At the end of the event, participants will leave the building as follows:**

1. All participants who parked in the smaller visitors' parking lot or who are using public transportation will need to exit through the front main entrance doors.
2. All participants who parked in the larger internal parking lot, will need to exit through the northwest side doors of the building in order to gain access to this parking lot.

Non-members will not have access by exiting through the main doors because the gates will be closed at this time and the pedestrian gate is card access only.

Please note the gates will automatically open as a vehicle approaches to leave the parking lot.
